

MAGIC LIGHT MEDIA

A Creative Advertisement Production Agency

We are a full-service creative production agency handling everything from concept to final delivery — crafting films, advertisements, and brand stories with purpose, clarity, and cinematic precision .

Based in India | Working Pan-India

What We Do

We offer end-to-end creative production under one roof.

Pre-Production -Production (Shooting)

Concept development, scripting, storyboarding, casting, and planning.

Production Ad films, digital commercials, brand documentaries, product films, and short-form content.

Post-Production

Editing, color grading, sound design, motion graphics, and platform-ready delivery.

From the first idea to the final frame — we take responsibility for the entire journey.

Our Purpose

To create visual stories that elevate brands, celebrate culture, and connect with people in meaningful ways.

Not just for campaigns.
But for memory.

Let's Create Something Meaningful

*If you're looking for more than just a production house —
If you're looking for a creative partner who understands story, craft, and
impact —*

You're in the right place.
